Intro

Dm C

Woke up late.

C F

Couldn't find my other shoe.

Rach found it.

That did not improve the shoe.

Verse 1

C

Milk hit the table

Toast hit the floor

Caught my backpack

On the kitchen door

Missed the bus

Got to school

Forgot my assignment again

By nine-fifteen

I'd had enough

Some days wake up

Already playing rough

F Gm C

But Joey made me laugh

C F

Till I couldn't breathe

F

Then the rain stopped long enough

C Bb

For sunlight through the trees

Chorus

F
It can be a bad day
F
And still be a good day
F **C**
Maybe both of those things can be true
C **Bb**
I can be disappointed
Bb
I can even be sad
F
And still find something beautiful too
F
Joy doesn't mean
Gm **C**
That nothing goes wrong
C **Bb** **F**
Or smiling when you wanna cry
F
Maybe joy is finding
F **C7** **Gm**
There's still something worth loving
C
Even when the day doesn't go right

She wouldn't say why

Looking up at the sky

I almost told a joke

F Gm Am

Then thought better of that

Sometimes cheering someone up

Isn't where they're at

C F

So I sat down beside her

F C7

Rach sat there too

C7 Am Gm

Nobody fixed anything

C

For a minute or two

C F

Then she leaned on my shoulder

F

And started to smile

C

Being sad together

Bb

Felt okay for a while

Just knowing even here
