Intro

```
      G
Joey held the door this morning
C                  Dm
For a man he'd never met
Dm      C
Nobody clapped.
F         Am
Nobody cheered.
    C                 Em
He didn't even get a sticker.
         Em
Seems suspicious.
```

Verse 1

```
C
Sam saw the new kid standing
C
With a lunch tray all alone
C
Scooted over, made some room
      Dm
Like she'd always known her
    Dm                      G
N8 rolled the neighbor's trash cans
    G  F                  Am
Up the driveway in the rain
Am               C
Never knocked or left a note
C
Just walked back home again
         C
Mama left the porch light burning
    C           Dm
Till she knew our neighbor's car
Dm            G
Had made it safely up the street
  G                    F
It wasn't much—but there you are
```

Chorus

C
Nobody saw that
C
Nobody knew
C
Nobody handed out a prize
C Am
For the little thing you chose to do
Am
No trumpet sounded
F
No marching band
Dm G7
Just a little bit of kindness
G7 C Em
Passing quietly hand to hand
F Dm
Maybe that's how goodness grows
Dm G C
Not with fireworks or applause
Em F
Just somebody seeing somebody
Am Dm
And doing something because
G
Nobody saw that
Am
But it mattered anyway

Verse 2

Em F
Joey waited after practice
F C G
For the kid who came in last
G C
Didn't tell him, “Hurry up”
F G C
Just walked beside him back
C F
Sam picked up somebody's papers
F Dm C
When the wind sent them around
C
Rach contributed by chasing one
Dm
And never bringing it back down
Dm C G
I put the shopping cart away
G C
From halfway through the lot
C
I would like the record showing
C Dm
It was extremely, extremely hot
F
No one there was watching
G7
No one knew my name
G7 C
And somehow doing something good
C Am
Still felt good just the same

Bridge

```
          C            Dm
Maybe kindness isn't famous
G                 Am
Maybe most of it is small
  C
A seat, a door, a listening ear
  C                      Am
A hand before you fall

         Am     Dm       Em
Jesus talked about a kingdom
       Em    Am        Dm
Like a tiny mustard seed
Dm           Em    G              C
Maybe big things sometimes happen
F
Through the smallest things we see

       Em       Am
So if nobody remembers
       Am       Dm
And nobody knows your name
Dm
The person that you noticed
Dm    C             G
Might remember just the same
```
