August · Faithfulness

Season One

Key: D major Tempo: 64.6 BPM Meter: 4/4

Verse 1

 D Bm
Joey had a game on Saturday
 G A7
Said I'd be there by two
 D
Then N8 called with better plans
D A7
And honestly—I wanted to
 A7 D
But I said I'd be there cheering
D
Even if his team got beat
D A
So when the first pitch hit the glove
A
Guess who was in his seat

Pre-Chorus

G D
I don't have to fix it
 D A
Don't have to save the day
A
Sometimes keeping promises
G A
Just means showing up anyway

Chorus

A
You can count on me
D **A**
When the plans fall through
A **Bm**
When it's not much fun
Bm **A7**
When there's better stuff to do
A7 **D** **A**
I don't need the perfect words
A **D**
Don't have to lead the way
D
I said I'd be there
D **A** **Bm**
So I'm on my way
D
Whoa-oh, count on me
D **A**
Whoa-oh, I'm on my way

Verse 2

Bm
Rach was at the front door
D
With his leash between his teeth
A7
Rain was coming sideways
A7
I was hoping he'd forget me
A7 **D**
But somebody made a promise
D **A7**
About a walk around the block
A7
So I pulled my old raincoat on
A7
And we headed out at six o'clock

Pre-Chorus

D
Love's not only easy
D **C#dim**
And words aren't all we say
Bm **A7** **G**
Sometimes what you really mean
A7 **Bm**
Is showing up again today

Chorus

A D
You can count on me
D A Bm
When the plans fall through
Bm A7
When it's not much fun
A7 D A
When there's better stuff to do
A D
I don't need the perfect words
D
Don't have to lead the way
D A
I said I'd be there
A D
So I'm on my way

Bridge

D
God keeps every promise
A
Stays when others go
D Bm
Faithful through the good days
Bm A
And the ones that hurt the most
G F#m Em
So I wanna be somebody
Em A
Whose yes still means yes
Bm D
Not perfect every time
Bm G A7
Just faithful with the next

Guitar Solo

You can count on me
A7 **D** **Bm**
When the plans fall through
Bm
When it's not much fun
A7 **D**
When there's better stuff to do

I don't have to save the world
